

Staples-Motley Early Childhood Education

*Innovation, Collaboration
and Excellence*

Dear Parents,

The collaborative partners of the Staples/Motley Early Learning Programs have created a single application for Staples Motley preschool classes including School Readiness and Head Start.

Directions

Tennessee Warning	<ol style="list-style-type: none"> 1. Page One - Your Copy 2. Last Page - Sign and return with the completed application
Application Page One	<ol style="list-style-type: none"> 1. Student/Applicant Child - Complete all information. 2. Codes - Use the "codes" to complete information for adult family members. 3. Other children in the home - complete for ALL other children in the home.
Application Page Two and Three	All information on income, services received, housing and child development is required to determine eligibility and placement for preschool programs, eligibility for preschool scholarships and other available services for families. Applications not including this information will limit the programs and services you may be eligible for.

All applications will be screened for eligibility and placement. You will be contacted for any additional required information.

Mail all applications to: Staples Motley Early Learning Services
