

# Staples-Motley Early Childhood Education

*Innovation, Collaboration  
and Excellence*

**School Readiness** children must be 3, 4, or 5 years old by Sept. 1<sup>st</sup>. Enrollments are prioritized for 4 & 5 year olds. Enrollments for three year olds provided as space allows. Children must be potty trained. Limited transportation provided for families meeting eligibility requirements.

**Head Start** is a federally and state funded child and family development program provided free of charge to eligible low income families. Children must be 3 or 4 years old by Sept. 1<sup>st</sup>. Transportation available for most children.

Applications are screened to determine program eligibility based on income, services received, housing and child development. This information is required to determine eligibility and placement in preschool programs, eligibility for scholarships and available services for families. Scholarships available with all program options. Applications not including this information will limit the programs and services you may be eligible for.

Please select your schedule preferences for School Readiness **and** Head Start. Families ineligible for Head Start will be enrolled in School Readiness. If you have a specific program preference, please check below.
